13 August 1953

MEMORANDUM FOR: Chief, Technical Services Staff

SUBJECT : Extra Sensory Perception

I have read copy five of the [redacted] proposal on the subject of extra sensory perception and have talked to [redacted] about it. As I have explained to him, I have very little knowledge of this subject and, for that reason, have no valid opinions. I have, nonetheless, a certain skepticism as to the practical value of this sort of effort.
